| Subject: Request the Department of Public Works proactively identify and plan to install traffic calming measures to utilize along River Valley Road in order to mitigate increased traffic volumes and speed. Traffic calming measures to consider include stop signs, raised cross walks, speed bumps, speed tables, playground warning signs, dynamic speed read-out signs, and bump-outs. | |

Details:
This item was brought forward from Ald. McElderry to have staff review the River Valley Road corridor to assess the safety issues and offer traffic calming measures. Engineering staff has already begun a study to review the issues on River Valley Road and will report to Ald. McElderry any recommendations for safety updates. Changes to traffic control changes will be subject to approval, at a later date, by this Committee.

Options & Alternatives:
None

Financial Remarks:
No remarks at this time.

Executive Recommendation:
The Department of Public Works staff will conduct the study and work with Ald. McElderry to offer findings to the Committee at a later date.
