

### MEMORANDUM

DATE: April 15, 2015

TO: Dan Duchniak

FROM: Kelly Zylstra, Technical Services Manager

RE: Les Paul Parkway Water Main Replacement – Phase 1

Bids for Phase 1 of the water main replacement project on the Les Paul Parkway between Arcadian and Broadway were opened on Monday April 13, 2015. There were 6 bidders; they are shown in the table below. The Board of Public Works is scheduled to take action on the bid at their April 23<sup>rd</sup> meeting. Action by the Common Council is scheduled to occur at their May 5<sup>th</sup> meeting.

Contractor	Total Cost
American Sewer Services, Inc. N2768 County Road P, Rubicon, WI 53078	\$2,858,045.00
Advance Construction, Inc. 2141 Woodale Ave, Green Bay 54313	\$3,320,555.00
PTS Contractors, Inc 4075 Eaton Road, Green Bay, WI 54311	\$3,515,760.00
Super Excavators, Inc. N59 W14601 Bobolink Avenue, Menomonee Falls, WI 53051	\$3,793,400.00
Globe Contractors, Inc. N50 W23076 Betker Rd., Pewaukee 53072	\$3,920,295.00
MJ Construction, Inc. 8617 W. Kaul Avenue, Milwaukee, WI 53225	\$4,648,950.00

The project will involve the replacement of the 16-inch diameter installed in 1979. Master planning documents by AECOM call for this main to be 24-inch diameter for future water supply alternatives, therefore it is considered to be a deficiency replacement. The project construction is planned from June 2015 until October 2015.

Additional costs to the Utility include contract administration, construction inspection, surveying fees, tapping fees, soil compaction testing, and as-built costs. The current project estimated cost is \$3,190,000, compared to the \$4,039,000 that was approved in March 2015.

**Suggested Motion:** *Move to approve the water main replacement unit price contract totaling \$2,858,045 with American Sewer Services, Inc. for Phase 1 of the Les Paul Parkway Water Main Replacement project using the monies budgeted in account #3431.*
