This email message originated from outside the City of Waukesha. Do not click on links or open attachments unless you have verified the sender. If there is concern, please report this email.

Referring to the article in Waukesha Freeman, I am interested in seeing that the mural stays a part of Waukesha History.

Is there a description of all the items represented in the mural?

I tried a search on the internet and did not find anything. I think that a presentation of meanings would raise more interest in the destiny of the mural. Are you aware of this and let me know, please.

I am very interested to see how this progresses.
