Subject: Waukesha West High School Dugouts, 3301 Saylesville Road – Final Site Plan & Architectural Review	

Details:
 Proposal is for new dug outs to be added on the baseball field and softball field at West High School. The visitor dug outs will be simple shed style structures open to the field. The home dugouts will also incorporate a second level press box, and attached equipment storage area, with the baseball field home dugout including a concession area as well. All of the dugouts will be sided with cement board siding in a board and batten style. Dug outs will be done in gray with blue lettering to match school colors.
