<b>Subject:</b> Review and act on the request from Danielle Maile for a one-time sewer credit for 2011 Kilps Drive.	

<b>Details:</b> The City of Waukesha Municipal Code Chapter 29 requires sewer billing to be based upon the measured volume of water consumed and allows for a one-time unmetered credit. According to Chapter 29.11(h)(4) titled One-Time Unmetered Credit, users without credit meters may request an adjustment of sewer service charges for special circumstances such as installation of a new swimming pool or establishing a new lawn.  Danielle Malie, on August 18, 2022, requested a credit for sewer service charges for the time period of July 2022 for the filling of a swimming pool. This outdoor water use was not treated by the Clean Water Plant.  For comparison and calculation of a refund, the average water usage was compared with the period of heavy usage. High Usage: 22,000 gallons Average Usage: 9688.88 gallons Estimated Additional Usage: 12,511.12 gallons Calculated Refund (2022 - \$8.92/1000 gal): \$111.60
