Re: Froedtert Sunset Clinic – Developer’s Agreement

In July 2019, the public water main extension for Froedtert Sunset Clinic was brought before the Water Commission and approved. At this time, the developer’s agreement is being brought to the commission for your approval. The project involves 131 feet of 8-inch water main and a 6-inch water service. The Developer’s Agreement is our standard agreement with the exception of removing the waiver of subrogation which was reviewed and approved by the City Attorney.

Recommended Motion: Move to approve of the Developer’s Agreement with Froedtert Health.
