[ID#16-1482](#) INVITED Other Applications - September 26, 2016

*Kevin Slowik, Carroll University-Chartwells appeared before the Committee. They have applied for an expansion of the licensed premise. The University has constructed a pavilion by the football field and a new science laboratory on the corner of Barstow and College. They would like these areas added to their alcohol license. Slowik said these are adult attended events. They have never had issues. They would like to have the ability to hold events at these locations. Slowik said they would not allow food or beverage to go out to the football field. Johnson made clear that alcohol would have to stay in the pavilion; Slowik understands this.*

Manion asked how access would be controlled. Slowik said the area has been marked off in the past. The Committee is concerned about an entry point and containment of the alcohol to the area. Slowik said Public Safety oversees those issues. The Sgt. Becker suggested that Slowik contact the Public Safety Director to discuss a plan. Slowik said he will also make contact with the alumni group that would run the events to determine what they envision.

*This will be tabled until October 10th.*
