

**TireTech Recycling, Inc. and Central Disposal, Inc.**  
**Transfer Station Plan of Operation Outline**

1. TireTech Recycling, Inc. (TTR) is a scrap tire recycling company located in the city of Waukesha. TTR collects scrap tires from it's customers on a daily basis. The tires will be brought back to the yard and off-loaded in the scrap tire structure noted in the attached site drawing. The tires will then be loaded into open top waste transfer trailers. The tire will then be transported off site to a tire processing location.
  - a. All tires will be in trailers or containers at the end of each operating day. No tire will be left on the ground.
  - b. Hours of operation will be from 7:00 am to 4:30 pm Monday through Friday and 7:00 am to 1:00 pm on Saturday.
  
2. Central Disposal, Inc. (CDI) is a waste collection company located in the city of Waukesha. CDI collects construction and demolition (C&D) waste from it's customers on a daily basis. The construction and demolition waste will be brought back to the yard and off-loaded in the C&D structure noted in the attached site drawing. The construction and demolition waste will then be loaded into open top waste transfer trailers. The C&D waste will then be transported off site to a licensed in state landfill.
  - a. Hours of operation will be from 7:00 am to 4:30 pm Monday through Friday and 7:00 am to 1:00 pm on Saturday.
