Gina Kozlik said she believes that inviting applicants that have something on their record in the last two years relates to licenses having a two year term and the need for the committee to review their record before issuing a renewal.

Miles confirmed that applications can be denied for possession but that the offense should substantially relate to the business for which they are employed. He said possession doesn't show misuse of alcohol but does create concern, along with theft and disorderly conduct.

A discussion took place regarding inviting applicants with infractions on their record in the last 5 years. It was decided to pass the ordinance as drafted and adjustments can be made in the future depending on how this process was working.

Lt. Habanek is more concerned with dealers which are misdemeanors and felonies.

Gina Kozlik request that the last reading be waived.
