To Whom It May Concern:

This is a cover letter describing two projects the Humane Animal Welfare Society of Waukesha County, Inc. (HAWS) requested by the Application for Development Review.

One project is replacing an existing 10' x 10' shed that was hit by a car. Once replaced we will remove existing shed.

The second project is for a fenced in area for dog play. The area will be 19'x43' and will be made of vinyl covered galvanized fencing black in color.

See attached documents and site plan.

Sincerely,

A handwritten signature in blue ink that reads "Andrés García".
