- C. [ID#15-3351](#) Establish No Parking Any Time on the north side of W. St. Paul Avenue from 140 feet east of N. Prairie Avenue to the corner of Fairview Avenue.

Recommendation: Staff has brought this item forward for consideration. This request is in response to some recent complaints about drivers not being able to "bypass" around left turning vehicles on southwest-bound St. Paul Avenue at Prairie Avenue because a vehicle is parked on the north side of St. Paul. Upon an operational review of the intersection, it has been determined that it would be safer for the traveling public if there was no parking on the north side on this section of St. Paul Avenue. Staff recommends approving this item.

Recommended Motion: Move to approve No Parking Any Time on the north side of W. St. Paul Avenue from 140 feet east of N. Prairie Avenue to the corner of Fairview Avenue.
