MEMORANDUM

DATE: May 7, 2019

TO: Dan Duchniak, P.E.

FROM: Chris Walter, P.E.

RE: 2019 Asphalt Streets Resurfacing (Moreland Blvd – Riverview to Delafield)

The bids for the 2019 Asphalt Street Resurfacing project were opened by the City Public Works Department at 11 am on Friday May 3, 2019. As part of this contract, Waukesha Water Utility is replacing 3,120 feet of water main. There were four (4) bidders which are shown in the table below. Action by the Board of Public Works is scheduled for May 9, 2019, and action by the Common Council is scheduled to occur at their May 21, 2019 meeting.

Contractor	Water Main Items Bid Total	Overall Bid Total
Payne & Dolan N2W23650 Badinger Rd. Waukesha, WI 53188	\$625,558.64	\$1,537,872.50
Wolf Paving 614 N. Sawyer Rd. Oconomowoc, WI 53066	\$643,417.75	\$1,591,305.50
Stark Asphalt 12845 W. Bruleigh Rd. Brookfield, WI 53005	\$671,896.25	\$1,689,964.50
American Sewer Services N2768 County Road P Rubicon, WI 53078	\$844,415.00	\$1,944,449.50

The engineering estimate was \$612,000.00. and we are replacing 3,120 feet of 8-inch cast iron water main from 1958 with new 12-inch water main. The project is part of our 1% water main replacement program and was budgeted for 2019 construction in account #3431. Due to other projects coming in under budget, there are ample funds available in account #3431 to make up for this bid being higher than the estimate.

Recommended Motion: Move to approve the water main replacement unit price contract and 1% city administration fee totaling \$631,814.23 for the Waukesha Water Utility's portion of the City of Waukesha Public Works contract with Payne & Dolan, Inc. for the 2019 Asphalt Street Resurfacing project.

**W Moreland Blvd From Delafield St to Riverview Ave:
Installation of 3,120 feet of 12" Water Main
Replacing 8" Cast Iron Water Main (1958)**
