

OTTO'S FINE ART ACADEMY

NOVEMBER 19, 2019- PUBLIC ART, CITY HALL GALLERY

Otto's Fine Art Academy is a K-12 supplementary education art school. First-time students have the opportunity to enroll in a free introductory lesson prior to signing up for classes.

Here at Otto's, we believe that no two artists are alike. For this reason, students in all of our programming opportunities choose their own subject-matter and work at their own pace. Our goal is to develop creative confidence within each student by: teaching fine art skills, helping students create a portfolio, providing information on what career options are available for art-related career paths, and introducing students to the idea of community-building through art. We achieve these goals through our individualized instruction format, documentation of improvement, introduction to new and different styles of contemporary art-making in various fields, as well as display of art in local spaces. Otto's offers year-round art classes, Homeschool Groups, Summer Camps, Holiday Workshops, as well as Girl and Boy Scout Events.

Schedule a free introductory class today!
