<b>Subject:</b> Discussion and Recommendation: Establish No Parking Any Time on the east side of Perkins Avenue from the corner of E. Main Street to 300 feet south.	

**Details:**  
Referral was made by Public Works and Ald. Chris Hernandez. This item is to establish a No Parking Any Time on Perkins Avenue. The committee discussed this item and voted unanimously to approve it.

**Options & Alternatives:**  
Discuss whether it is appropriate to install this no parking zone. There is an existing No Parking zone in this approximate location but is gapped out between two driveway and only one car can park legally there. Parking demand is much lower now than when the regulation was first established.

**Financial Remarks:**  
The cost of installing 3 No Parking signs with new post (new ones) is expected to be \$150 and covered by the BG Sign Budget (3310.54140). The existing signs are very faded and need replacement.

**Executive Action:**  
The resolution for this installation of this sign assembly will need to be executed by the Mayor and Clerk after the Council Meeting

**Committee Recommendation:**  
The Buildings and Grounds Committee approved this item at their April 20, 2015 meeting. This item will be under the May 5, 2015 Common Council consent agenda.
