 TO: Dan Duchniak
 FROM: Jeff Detro
 RE: Well #6 Deep Well Pump Replacement

Water Utility staff prepared specifications for the public bidding of the Well #6 Deep Well Pump Replacement. The well #6 project includes the removal and replacement of the 400 horsepower, 2,300 volt pump/motor, power cable, and 10" column pipe extending 640' below the surface. This equipment was new in 1996.

In keeping with Wisconsin Statutes, we published an Official Notice to Bidders on June 24, 2015, and on July 1 2015. Sealed bids were received and publicly opened at the Utility on July 8, 2015, at 2:00 p.m. CST.

Upon review of all bids, it is our recommendation to award this project to Municipal Well & Pump for their lump sum bid of \$168,446.00.

Funds for this 2015 budgeted project will be taken from capital account 3250.
