| Subject: Requesting a 3-way stop at Wyngate Way on River Valley Road. Also, an evaluation for a speed feedback sign on River Valley Rd at Fox Ridge Drive. | |

Details:
6/5/2023. This item was brought forward by Ald. McElderry as a referral to change the intersection control at River Valley Road and Wyngate Way from a 1-way stop controlled intersection to an all-way stop controlled intersection. Additionally, evaluate the need for a speed feedback sign on River Valley Road between River Road and Fox Ridge Drive. After discussions with Ald. McElderry, it was determined to not install any additional all-way stop controlled intersections along River Valley Road or install any speed feedback signs. This referral was then requested to be withdrawn.
