Ron Grall, Director  
City of Waukesha  
Parks, Recreation & Forestry Department  
1900 Aviation Drive  
Waukesha, WI 53188

Dear Ron,

Domestic Violence Awareness Month (DVAM) is observed each October, and The Women's Center leads local efforts during the month to build awareness of this pervasive crime and invite the community to take action, support survivors, and end domestic violence.

Purple is the featured color of DVAM, and as part of the awareness campaign, we encourage the community to *Light the Way to End Domestic Violence* by displaying a purple light bulb outside their home or business.

In support of this community-wide activity, we request that the lighting at Les Paul Pavilion and Youmans Park in downtown Waukesha be changed to purple for the National Week of Action of DVAM, October 18 - 24.

We are appreciative of your past partnership for this initiative, and we invite broader participation this year to light up additional locations in the City, if possible.

Thank you for your past support and for considering our renewed request.

Sincerely,

Angela Mancuso  
Executive Director
