

Lucidity arts is an established tattoo studio currently located in Hartland Wisconsin. We opened in 2021 with our first location located at 234 W. Main St., Waukesha. Lucidity arts currently has two artists with the potential to add a third. We are a appointment only private tattoo studio, while our hours of operation vary typically our artist work Monday through Saturday between the hours of 10 while our hours of operation vary typically our artist work Monday through Saturday between the hours of 10am and 7pm.

There will be a sufficient amount of parking spaces for all working artist as well as an additional parking space for any clients. Often not all artists work simultaneously so at any given time we would only require 1-2 street parking spaces.
