**NOTE: Underground Utilities**

Location of Underground utilities are not part of the agreement made between the Surveyor AND Client named on this map, therefore none are shown.

**NOTE: Title Policy**

As of the date of this survey, no title policy was provided, therefore this Plot of Survey does not guarantee the existence, size and location of any easements, encumbrances, restrictions or other facts that could otherwise be disclosed in a title search or current Title Policy.

**Statement of Potential Encroachments:**

At the time this survey was performed the surveyor visually inspected the subject property and of his discretion has measured and has now shown on the face of this map certain features that appear to be on, near, or along a property line and is shown in reference to the nearest 0.1 of a foot, and does not nor will not guarantee an accuracy greater than 0.1 of a foot in regards to said features. These measurements may vary from future measurements due to the specific location of the shot, equipment placement, and the physical condition of respective features. Therefore all measurements may exceed tolerance greater than 0.1 of a foot for reasons mentioned, this includes any statements regarding distance in the form of notes shown on this map.
