RE: Lower Level Parking Lot Re-Paving

Three proposals were received for repaving the lower level parking lot for 115 Delafield Street; technically located off North Street. The work includes removing the existing pavement, proof rolling base, repaving and marking the parking stalls.

Provider	Proposal Price
<b>Parking Lot Maintenance, Inc. W225 N3178 DuPlainville Road Pewaukee, WI 53072</b>	<b>\$24,650.00</b>
Wolf Paving	\$33,342.00
Merit Asphalt	\$34,833.00

Parking Lot Maintenance (PLM) preformed the paving work on our customer service lot in 2016 and did satisfactory work.

Funds for this work will be taken from Account #9300, which has \$30,000 allocated for this work in 2017.

**Recommended Motion:**

Move to approve the award of the lower level parking lot repaving work to Parking Lot Maintenance for a cost of \$24,650.00.
