To make it one property.

The reason for this request is we would like to make improvements on the property to include landscaping, a small parking area for employee's cars and an asphalt play area for our after school and summer day camp children to use that would be a safer area away from the general parking lot.

Attached you will find a plat map of both properties.

We are working on a site plan now for the improvements and will submit the plan to the commission upon approval of the zone change.

Thank you for your consideration,

Nelson DeLavergne (Major)

Corps officer
