Subject: Please approve No Pedestrian Crossing signs to be installed on Pleasant Street at E. Broadway. Said signing installation should also direct pedestrians to cross E. Broadway at the nearby N. East Avenue traffic signal.	

Details:
 This item was brought forward by Ald. Miller in response to an issue of pedestrians trying to cross E. Broadway at Pleasant Street. Residents have requested a painted crosswalk on E. Broadway at Pleasant Street. Engineering staff indicated that a painted crosswalk would not be very safe in this location being so close to an active railroad. The better solution is to communicate to the pedestrian to cross E. Broadway at the nearby traffic signal at N. East Avenue and to discourage crossing at Pleasant Street. The subject referral lists signing that would be needed to accomplish this. The Department of Public Works does not have any issues with the request.

Options & Alternatives:
 None

Financial Remarks:
 If the committee approves this item, the cost to install the signing will be around \$300 and covered by the 2020 Building and Grounds Sign Budget (3310.54140).

Executive Recommendation:
 The Department of Public Works recommends approval.
