| Subject: Rescind previously approved Item ID#16-1537 from November 2016 "Modify the existing student drop off area on Pendleton Place by Bethesda School from "no parking stopping or waiting" to No Parking, Drop Off Area Only". | |

Details:
In November 2016, item ID#16-1537 was approved by Buildings & Grounds. The parking changes in item 16-1537 were requested by Bethesda School and based on their bus & student drop off procedures at that time. In December 2016, the school principal, Ms. Miranda, requested the new signing not be installed because they are considering other bus and drop off changes. DPW did not install the associated signing that was approved. In 2017, a new school principal was hired and recently requested a different parking change on Pendleton Place near the front entrance to school. The purpose of this item is to officially rescind the previously approved parking zone change since it is no longer necessary.

The Committee voted unanimously to approve this item.
