EZ Launch - Commercial

Universal Accessibility

A first in the industry, the EZ Launch Accessible Transfer System for kayaks and canoes provides individuals with disabilities accessibility that exceeds the minimum requirements of the Americans with Disabilities Act (ADA). The easy-to-use transfer bench and transfer slide boards allow users to simply sit, slide over, and drop down, then use the side rails to pull off or back on. The customizable system is ideal for people of ALL abilities, providing extra stability launching and docking a kayak or canoe. **Contact your local dealer for more information.**

UNIVERSAL ACCESSIBILITY

Many companies can boast about having products that conform to all minimum regulatory guidelines ensuring universal accessibility, but EZ Dock takes it much further. As a leader in the industry, our products are not engineered for the "bare minimum" requirements - we strive to design our products to give everyone access to the best possible experience on the water, far exceeding the minimum standards.
