<b>Subject:</b> Consider No Parking Any Time on the north side of Chicago Avenue from Spring Street to Randall Street.	

**Details:**  
This referral was made by Ald. E. Payne. Residents in the area have concerns about Chicago Avenue being a narrow street and, when nearby Blair school has student dismissal, parents line both sides of Chicago Avenue from Spring Street to Randall Street leaving a very narrow drive lane that cannot pass emergency vehicles. The request is to remove parking on the north side of Chicago Avenue from Spring Street to Randall Street to keep a clear open lane at all times. Staff supports this request and recommends approval.  
  
B&G Committee reviewed and approved this item unanimously.

**Options & Alternatives:**  
Discuss whether to approve this request.

**Financial Remarks:**  
The cost of installing signing related to this No Parking zone will be \$200 total and would be covered by the 2016 B&G Sign Budget (3310.54140)

**Executive Action:**  
The resolution for approving this parking zone will need to be executed by the Mayor and Clerk after the Council Meeting

**Committee Recommendation:**  
The Buildings and Grounds Committee approved this item at their June 20, 2016 meeting. This item will be under the July 5, 2016 Common Council consent agenda.
