Subject: Install a stop ahead sign on NW Barstow Street in advance of Lemira Avenue.	

Details:
10/2/2023. This item was brought forward by Ald. E. Payne as a referral to install a stop ahead sign for northbound NW Barstow Street in advance of the stop sign at Lemira Avenue. Concern was brought forth from residents that the stop sign is not visible enough because of terrace trees and the hill on NW Barstow Street at Prospect Avenue. Engineering staff have reviewed this request and do not have an issue with permanently installing the stop ahead sign.

Options & Alternatives:
None

Financial Remarks:
The cost for installing one (1) stop ahead sign and one (1) sign pole would be paid for from the Delafield Street reconstruction project.

Executive Recommendation:
The Department of Public Works recommends the installation of a stop ahead sign on NW Barstow Street for Lemira Avenue.
