City of Waukesha Cover Sheet

Committee: Board of Public Works	BPW Meeting Date: 1/8/2026
ID Number: ID#25-02831	Ordinance/Resolution Number (if applicable): N/A
Department Submitting: Department of Public Works	Common Council Meeting Date: 1/20/2025
Agenda Item Title: Review and possible action on Contract Amendment #1 with MSA Professional Services, Inc. for Private Development Review Services.	

Issue Before the Council:

In late 2024, the City entered a Contract with MSA Professional Services to provide private development review services on an hourly, as needed basis. MSA has provided this service for the Engineering Division through the entirety of 2025 and has yielded very positive results for private development projects. Contract Amendment #1 is attached and only adjusts the hourly rates to the 2026 staff rates provided by MSA. All other Contract items remain as-is.

Options & Alternatives:

1. Approve Contract Amendment #1 for the revised 2026 staff hourly rates.
2. Not approve the Contract Amendment.

Additional Details:

With the filling of some vacancies within the Engineering Division, MSA's primary role within Private Development Review is to complete reviews of submitted projects which can be billed back to the development applicants. While there may be minor hourly expenses that cannot be billed back to the individual applicants, the goal is to have MSA's time 100% covered by private development applicants by the end of quarter 1 in 2026. A brief summary 2026 hourly fee schedule is shown below:

Staff Type	Hourly Rate
On-Site Engineer	\$184.00
Staff Engineers	\$90.00 - \$157.00
Engineering Technicians	\$105.00 - \$159.00
Survey	\$90.00 - \$208.00
Admin	\$90.00 - \$160.00

What is the Strategic Plan Priority this item relates to:

N/A

What impact will this item have on the Strategic Plan Priority?

N/A

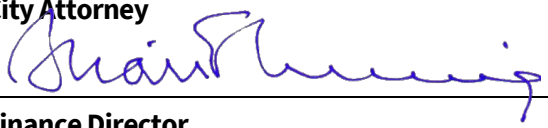

Financial Remarks:

Most of the services provided by MSA will be billed back to private development applicants, however, it is anticipated that in early 2026, a small portion of these services would be covered by Engineering's operating budget. This is estimated at \$7,500.00 or less. The total anticipated amount to be billed back to private development applicants will be dependent on the number and size of submitted applications through 2026.

Recommended Motion:

Move to approve Contract Amendment #1 with MSA Professional Services, Inc. for Private Development Review Services pending final review by the City Attorney.
