5. New Business

[ID#18-1294](#) The appeal of Mary Ebert, owner, to appeal the cited code violation of the Uniform Dwelling Code, section SPS 321.06, as referenced by section 16.01(b) of the City of Waukesha Building Code. The existing home was built in 1937; therefore, the owner is permitted to appeal the requirements as allowed by section 16.17 of the Waukesha Building Code. The appellant alleges the provisions of the code do not cover the question of the existing headroom height that was permitted by the code in effect at the time of construction. If granted, this appeal would allow the headroom height in the existing building at 118 Oxford Road to vary from the requirements of the Uniform Dwelling Code for new construction.
