Re: 2022 Director Goals

1. By the end of April, 2022, complete the first-floor renovation project.
2. By the end of 2022, successfully complete the capital campaign.
3. By the end of August, 2022, implement a staff training program that supports staff training needs, budgets for training opportunities, tracks completed training, and provides a structure for bringing the ideas and skills learned in training to the work in the library.
