Re: Naming request

I was notified on December 15, 2021 that the library's capital campaign would be receiving a gift of \$150,000 from Quad Graphics. The company would like to name the Makerspace as follows:

Quad Graphics Studio 321

As per policy F-6, "Naming Rights and Commemoration," approved by the Library Board at its May 13, 2021 meeting, "the Library Board of Trustees must approve all recommended names." The policy is that the Library Director reviews and recommends naming opportunities to the Board, which votes to approve or deny recommendations.

I strongly recommend that the Makerspace be named as indicated above.
