Good morning, my family and I are Rivers Crossing residents for almost 18 years. I am opposed to the zoning change being proposed for the corner of Saylesville Rd and River Road with the building of an apartment complex of 40'...first of all, that will totally change the landscape of our rural area. That building would be seen for miles in what is typically thought of as a country setting. Then let's talk about the additional traffic. Saylesville Road has had how many accidents from the high school to the Lawrence School as well as on River Road by the back entrance to West. Adding in how much more additional traffic, utility needs, police/fire responses...

I appreciate you taking the time to listen to the residents in the area who will definitely be impacted by such a change.

Nancy McKay
