Discuss and recommend goals, objectives and elements to be included in an RFP for Parade Memorial designs.

City staff reviewed a draft RFP with the sub-committee members. The sub-committee members confirmed the desire for two memorials, one in Downtown Waukesha, along the parade route and another at Grede Park. The desire would be that the memorials compliment one another.

The sub-committee discussed the desire for the Downtown memorial to include a plaque and bench and possibly plantings and a light feature. The sub-committee also discussed elements for Grede Park such as having six hardwood trees and plaques for those who lost their lives, places to sit, memorial flowering trees, garden area for memorial plantings, symbols such as blue lights or Waukesha Strong, and plantings.

City staff will incorporate suggestions into a revised RFP.

4. Adjournment

"A majority of the Council members may be in attendance"
