Subject: Easement Proposal- Glacier Cone Park, Madison St.

Dear Melissa,

Please find attached the necessary materials for the next available Park, Rec, Forestry Board Agenda. The request is to relocate the existing underground electric line running along S. Comanche Ln./Madison St. to accommodate the upcoming City drainage project. The plan is to bore in a new line just off the south edge of the existing sidewalk of Glacier Cone Park.

We Energies shall be completely responsible for restoration of the grounds disturbed as a result of this work, but disturbance to the park should be minimal.

If you have any questions or need more information, please call me at 414-651-4459 or email [jeff.fowle@we-energies.com](mailto:jeff.fowle@we-energies.com). Thanks again.

Sincerely,
