<b>Subject:</b> IT CIP Request: Multi-Factor Authentication	

**Details:**

In 2022 we started our multi-factor authentication (MFA) project. This request is a continuation of that project, and is or buying more FIDO keys. FIDO is a secure authentication standard. A FIDO key is a physical device about the size of a USB thumb drive that stores user credentials and biometrics, that a user needs to log into City computers and applications.

**Options & Alternatives:**

**Financial Remarks:**

We are budgeting for 600 FIDO keys, which are \$80.00 per device. The total request is for \$50,000.

**Executive Recommendation:**
