Hello Charlie,

I am the homeowner at 305 E. College Ave and I have submitted an application with the Landmark Commission in regard to our dilapidated garage.

I am including seven photos that I took this week so that the commission members can see the disrepair, the structural inadequacies, and the absolute need to grant the request for a tear-down and new build at this site.

I will be at the August 3 commission meeting. Please let me know if you require any other documents or evidence from me regarding this request.

Thank you.

Lisa Heipp
