Re: Naming request

The Library received a gift of \$150,000 towards its capital campaign from Tony and Andrea Bryant. Recently, Andrea Bryant agreed to have the Library's fireplace named in their honor. The fireplace would be named as follows:

In honor of Tony and Andrea Bryant.

As per policy F-6, "Naming Rights and Commemoration," approved by the Library Board at its May 13, 2021 meeting, "the Library Board of Trustees must approve all recommended names." The policy is that the Library Director reviews and recommends naming opportunities to the Board, which votes to approve or deny recommendations.
