MEMORANDUM

Date: August 11, 2022

Re: Adler Drive

Belman Homes requested a water main extension for Woodland Hills – Adler Drive. This is a development located off of Woodland Hills Drive just north of Summit Ave. They are proposing to extend approximately 1200 feet of 8-inch water main to serve 15 proposed lots. All design comments have been addressed and approved by the Utility.

The developer's agreement is our standard agreement with no exceptions.

Recommended Motion: Move to approve of the water main extension and Developer's Agreement for Woodland Hills - Adler, at no cost the Utility.
