# **Amended and Restated Medical Clinic Intergovernmental Cooperation Agreement Addendum**

The City of Waukesha and Waukesha County entered into an Intergovernmental Cooperation Agreement for outlining the individual and shared responsibilities, obligations, and commitments for the On-Site Medical Clinic. This Addendum to the Agreement addresses a change in percentage as to how the parties agree to fund shared operating costs of the clinic.

Section 2.1 (f) of the Agreement provides that the allocation of the first year of the agreement (2022) for the Shared Costs is based on the rolling three-year average of the three preceding years under the Prior Agreement adjusted for the removal of non-continuing parties and is as follows:

County: 65%

City: 35%

Section 2.1 (g) of the Agreement provides that the Advisory Council may amend the cost sharing methodology for direct Party Costs.

The rolling three-year average of the three preceding years has now been calculated to include the years: 2019, 2020, and 2021. As a result, the Advisory Council approves this cost sharing and for 2023, establishes the Shared Costs as follows:

County: 63%

City: 37%
