Good morning,

I have attached a copy of the CAD call and below you will find the link containing the photos.

<https://www.dropbox.com/sh/3qkeu3dziuv5eeq/AACsd6Z1gGSzLwOxEBhkZiGca?dl=0>

The status of this incident (**IR# 22-24578**) is open and active as it has not yet been adjudicated through the courts; and as such is not subject to release under 19.35(1)(am)1. The right to inspect or copy this record under this section of Wisconsin law does not apply to any of the following: Any record containing personally identifiable information that is collected or maintained in connection with a complaint, investigation or other circumstances that may lead to an enforcement action, administrative proceeding, arbitration proceeding or court proceeding, or any such record that is collected or maintained in connection with such an action or proceeding.

The reports on this arrest have been referred to the **Waukesha County District Attorney's Office** for prosecution and are maintained and collected in connection with a complaint that will lead to enforcement action and are not subject to your inspection. **You may wish to contact their office to determine if the records may be available under discovery.** Premature disclosure by law enforcement would compromise the prosecutor's ability to make charging decisions and may have a chilling effect on the ability of the prosecutor to effectively prosecute the case. It would jeopardize the prosecution's or defendant's ability to

obtain an unbiased jury pool. In performing a balancing test based on the totality of the circumstances, I have determined that the public interest in nondisclosure outweighs the public interest in release of the records.

Therefore, the release of this record is being **denied** under State Statute 19.35 (1)(am)1 as an exception to public records law as the record has been collected or maintained in connection with a complaint, investigation or other circumstances that may lead to an enforcement action, administrative proceeding, arbitration proceeding or court proceeding.

**A copy of the remaining record(s) you have requested from this incident has been preserved for future reference.**

Please be advised that this determination is subject to review by mandamus under section 19.37(1), Wis. Stats., or upon application to the Attorney General or the district attorney.

Sincerely,

*Melissa Crowley*
