Charlie,

This improvement is proposed for the existing Hop It Market 1610 Lincoln Avenue Waukesha WI 53186.

The project consist of inspecting the existing detention basin and identifying several minor maintenance work items to be accomplished. With this work Completed. The existing gravel lot behind (west) of the existing Hop It Market will be regraded, and improved with asphalt pavement to allow semi-truck parking. This lot is intended to serve the customers of Hop It Market.

Landscaping and lighting are to be provided per the plans as submitted to improve the safety and aesthetics of the proposed paved parking lot, in accordance with the requirements of the city of Waukesha.

If you have any questions or require more information please contact me, thank you.

Respectfully,

Robert A Krause PE  
Project Engineer
