

Meet the Waukesha Operation Finally Home Recipient

Army Specialist Philip Olson

Philip was an army specialist for 4 years and 10 months as an infantryman and a gunner. He has lost several soldiers and including his Captain. Phillip was awarded numerous accommodations such as: Good Conduct Medal, Achievement Medals, Army Commendations, NATO Medals, and many more. He served two tours of duties in Afghanistan. Philip was shot three times during a firefight and was ejected from a vehicle from an IED Blast resulting in Traumatic Brain Injury TBI, PTSD, and leg and spine issues as a result.

He is currently a student working towards a degree in Mechanical Design. His wife Chenoah is a student at Colorado University studying for a business degree and is on the President's list with a 3.8 GPA. She will be transferring to UW to get a graduate degree in economics.

They have an 8-year-old son named Jonah. They are a young well-grounded family with a strong work ethic and Philip's service, achievements, and injuries make him an excellent recipient for an Operation Finally Home house, as he will be able to continue with his education without worrying about a home. His new home will be in Dunbar Oaks in the City of Waukesha.
