To the Members of the Plan Commission:

I am writing in support of the Crematory Addition for the Cesarz, Charapata, and Zinnecker Funeral Home.

The plans before you tonight have been well vetted by the City of Waukesha Staff. The overall appearance of the site will have a unifying feel once the addition and facelift to the garage is completed. This project does not detract but enhances a business which had been part of the community since 1897.

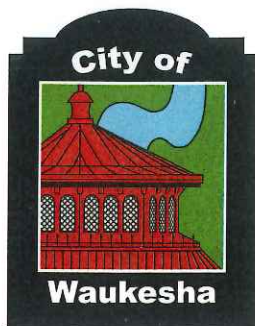

I have worked with these property owners overtime, as this has been the plan for a number of years. The neighbors have been reached out to also and they (the business) have followed all of our processes.

I ask and urge your support of this addition and allow the Cesarz, Charapata, and Zinnecker Funeral Home to move forward with their plans.

Thank you,

Alderman Kathleen Cummings
