Subject: Please modify the parking zone on the west side S. University Avenue from Pendelton Place north to the north property line of Bethesda School to be "No Parking, 8:30am to 9:00am, 3:30pm to 4:00pm, Sept 1 to June 15, Except Saturday, Sundays and Holidays"	

Details:

This referral was made by Ald. Reiland. Parking restrictions were previously approved at this location but, after some additional conversation with the school Principal and members of the school PTO, some proposed revisions to the parking zones are being further considered and reflected in the item listed above.

Engineering staff had met with the Bethesda School Principal, Sella Miranda and a member of the PTO and determined that more time will be needed to review proposed changes. Staff will send an exhibit of the proposed changes to Principal Miranda and will the exhibit will be sent to PTO members for their input.

At this time, this item is requested to be placed on hold until the second B&G meeting in December or first meeting in January.

Options & Alternatives:

The school and PTO will be reviewing one alternative to give input on times and days of parking restrictions. It is possible another alternative may emerge based on that input. The item verbiage will be adjusted accordingly.

Financial Remarks:

Sign changes were previously approved at the October 17 B&G meeting. The item above will adjust those changes. It is anticipated that no additional cost will occur because the number of signs to change out will remain the same.

Executive Recommendation:

Department of Public Works recommends item to be placed on hold until the second B&G meeting in December or first meeting in January.
