RE: Lower Level Parking Lot Re-Paving

Three proposals were received for repaving the lower level parking lot for 115 Delafield Street; technically located off North Street. The work includes removing the existing pavement, proof rolling base, repaving and marking the parking stalls.

Provider	Proposal Price
Parking Lot Maintenance, Inc. W225 N3178 DuPlainville Road Pewaukee, WI 53072	\$24,650.00
Wolf Paving	\$33,342.00
Merit Asphalt	\$34,833.00

Parking Lot Maintenance (PLM) preformed the paving work on our customer service lot in 2016 and did satisfactory work.

Funds for this work will be taken from Account #9300, which has \$30,000 allocated for this work in 2017.

Recommended Motion:

Move to approve the award of the lower level parking lot repaving work to Parking Lot Maintenance for a cost of \$24,650.00.
