PLEASE NOTE:

Your project is a CMYK digital print.
This means:

We will match defined PANTONE®
(C, U, CP, UP) colors as closely as
possible; however, 100%
reproduction is not possible. Please
reference a PANTONE® Color Bridge
book for CMYK process color
simulation when selecting your
colors. We recommend purchasing a
Color Match Swatch if there are
critical defined colors.
If there are no PANTONE® (C, U, CP,
UP) colors specified on this
document, no complaints based on
color output will be accepted.

Colors displayed on a computer
monitor or printouts on other
materials are not accurate depictions
of how your product will print using
our materials and technologies. We
recommend purchasing a Hard Proof
if you are concerned about the print
output. No complaints based on color
output of images will be accepted.
