WWU Commission meeting to approve bid: September 28

Details:

Waukesha Water Utility is being included in this Wisconsin DOT project contract as a non-participating entity, which allows the water main components to be bid and completed as part of the project. All work is related to offsets due to the location of new storm sewer or adjustments of our facilities due to grade changes in the proposed roadway. Other work includes insulation in various areas, hydrant relocations, and valve adjustments

Recommended Motion: Move to approve the water main related work on the Waukesha West Bypass project from Genessee Road to Fiddlers Creek, for an estimated cost to the Utility of \$250,000.00.
