Re: Petition of Paul Johnston, 300 Wabash Street

Greetings:

I am an almost-adjacent neighbor of Paul and Kim Johnston with a direct line-of-sight view of their property. I support their petition for a zoning variance to allow an expanded garage.

Paul and Kim are terrific neighbors. Their yard is very well maintained. They are thoughtful, friendly and considerate. Though bound to a wheelchair, Paul is an active and vigorous guy. The extra room in the garage that the zoning variance is needed to accommodate his activities.

Thank you for your consideration.

Sincerely,

Paul E. Kritzer
