Subject: Approve No Parking, Stopping or Waiting, Except Buses on the north side of Pendleton Place from 220 feet west to 430 feet of the corner of S. University Avenue.	

Details:

This item was requested by the Bethesda School and endorsed by Ald. Lemke. Bethesda school is changing the procedure and route for bus parking, student drop off and student pick up at the school. The buses are now going to load / unload exclusively on Pendleton Place by the main school entrance. In order to accommodate the buses, the existing No Parking zone needed to be extended further east. Item ID#17-1362, at the dimensions given, will create a longer bus drop off area and still provide open parking for parents along Pendleton Place.

The Committee voted unanimously to approve this item.

Options & Alternatives:

None

Financial Remarks:

If approved, the cost of installing signs to adjust this parking zone will be about \$200 total and would be covered by the 2017 B&G Sign Budget (3310.54140).

Executive Action:

If approved by Council, the resolution for approving the installation of these signs will need to be executed by the Mayor and Clerk after the Council Meeting.

Committee Recommendation:

The Buildings and Grounds Committee approved this item at their October 2, 2017 meeting. This item will appear under the Consent Agenda for the October 17, 2017 Council meeting.
