Mayor,

Per our discussion, this is the referral:

“Waukesha Common Council to discuss and consider moving the number of Council members from 15 to 9. As well as making the Mayor position considered part time. These efficiency moves, if approved, to be applied at the next elective term or at the time frame the City Attorney’s office advises is legally appropriate. Action to be taken at a later date.”

Alderman Skinner, if you approve, please reply and we can discuss next week. Thanks!

Aaron
