<b>Subject:</b> Approval of Resolution Authorizing the Filing of the 2018 Congestion Mitigation and Air Quality (CMAQ) Grant	

**Details:**

This item is to approve the resolution that would authorize the Transit Manager to file the Transit Commission's Federal 2018 CMAQ (Congestion Mitigation and Air Quality) Grant with the Federal Transit Administration. This grant will be used to fund 80% of the fixed route bus purchases including the two buses on order with delivery scheduled for March of 2019. The balance left after the 2019 purchase will be used for future fixed route bus purchases.

**Options & Alternatives:**

No other viable alternatives as these funds cover 80% of the cost of the vehicles.

**Financial Remarks:**

The grant will provide \$984,000 in federal CMAQ funds which can cover 80% of the cost of fixed route buses including the two set for delivery in March 2019. The remaining 20% is covered by local funds which were budgeted in the Transit budget.

**Executive Recommendation:**

Recommend approval.
